

 **technoed-out:** unable to come to terms with science and technology; to a person who is technoed-out, the techno-penis seems to be something overwhelming and mystical.

 **techno-fascism:** techno-penis domination; technoid S; the utilization of technological equipment & information by technoids and the techno-penis to control people, and nature in general.

 **techno-hysterectomy:** a woman without any conscious recognition of her femininity. In its most blatant manifestation, a techno-hysto seems to be saying, "sex? Oh, is that how people are brought into this world? Gee, that's interesting." This phenomenon is closely associated with bougie women's liberation, in which women are allowed to join the techno-penis.

 **technoid:** ¹a person who has funneled all of his/her neuroses into a lifestyle which is completely subservient to the techno-penis. ²Money. ³The legal system.

 **techno-nerd:** commonly, a male who derives all sense of masculinity from his association with technology and higher education.

 **techno-penis:** ¹an identification of technology and higher education with masculinity.

"My name is Seaborg. I discovered plutonium; hence, I am masculine."

"My name is Heyman. I am Chancellor of U.C. Berkeley; hence, I am masculine."

²A college or professional degree. ³A businessman, professional, politician, or other individual closely allied with the techno-penis. ⁴A literal techno-phallus, such as a gun, motorcycle or the Campanile.

 **techno-primal:** that combination of instinct and techno-power which is optimal for survival.

 **working class consciousness:** a conscious rejection of the values of the "American dream," that is "get rich and you will be happy, Mack"; a day-to-day survival orientation, where an individual chooses to work for a living, rather than to manage other people for a living.
